Dear Azamara Guest,

We know options have been a little limited for you to use your Future Cruise Credit (FCC). As a result, we're excited to share that we've extended your FCC expiration date to April 30th, 2022. Now, you'll have until **April 30th, 2022** to apply your certificate to an Azamara voyage that sets sail **on or before September 30th, 2022**. It's important to us that you have the opportunity to select a journey that works for you!

Please know, you will not receive an updated FCC. Your FCC has already been updated in our system to reflect your new expiration date of April 30th, 2022! Once you're ready to find your journey, [click here](#). To redeem your FCC, please contact us to book, we're more than happy to assist!

Should you have any questions, feel free to contact your Travel Advisor immediately for more details specific to your country of residence or visit <https://www.azamara.com/contact-us> for your local Azamara call center number.

Thank you for your patience and understanding during this unprecedented situation.

Please stay safe and healthy, and know, we really appreciate your continued loyalty. We'll be ready to welcome you back soon – we miss you already.

Sincerely,
AZAMARA®
