

Dear Travel Partner,

Thank you for your interest in booking Azamara. This letter outlines our new agency setup requirements to allow us to register your agency in our database.

The following steps are required to be complete for a successful registration.

To register with Azamara your agency must provide ONE of the following below.

- IATA Registration Number
- ATAS Registration Number
- A letter from your bank confirming Agency's bank details

Plus

- The attached below form (see page 2) must be completed in full.

As part of your registration your agency will also be connected to Azamara's online agent website Cruising Power.

Some of the benefits of Cruising Power are listed below.

- Access to our live reservations system – Espresso.
- Access to up-to-date product information and deck plans.
- Reporting tools to keep track of all your bookings.
- Training programs and access to Webinars.

Details on how to register will be forwarded to your agencies generic email address once complete.

During the setup period we will continue to accept, and hold, your agencies bookings as a direct reservation. We require the form to be returned to us within a 48-hour time frame, after which all bookings will be transferred to your agency with your agencies applicable commission included.

Once again, thank you for your support and we look forward to our future business relationship.
